Re: URGENT MATTER DUE TO: Refusal of San Bernardino Sheriff's
Department to Enforce Writ of Possession without required information

Dear Sir/Madam:

This letter will confirm our telephone conversation on 07/17/2014. In that conversation you advised me that your office needed detailed information to enforce a Writ of Possession after a judgment was issued in an unlawful detainer action. After a lengthy discussion you agreed that if our client could include the ethnicity and/or race of the occupants on the information form that you would be satisfied.

However, in my opinion if my client includes the Defendant's race and/or ethnicity on the information sheet my client could be expose my client to adverse claims of racial profiling and/or discrimination.

My clients are entitled to the enforcement of any and all lawful court orders including a Writ of Possession without supplying the Sheriff Department with any additional information.

I trust you will communicate with County Counsel on this issue.

Thank you in advance for your courtesy and cooperation in this matter.

Very truly yours,
H. G. Long & Associates
